Re: AA 167-13897
Second Administrative Amendment to
FESOP 167-9883-00114

Dear Mr. Cahill:

Wabash Valley Asphalt Company, LLC (formerly known as Wabash Valley Asphalt, Inc.) was issued a permit on February 2, 1999 for operation of a Drum Mix Asphalt Plant. A first Administrative Amendment was issued on August 18, 1999 for the inlet temperature ranges for the baghouses being inadvertently omitted. Two (2) other Administrative Amendments had been processed for a portable asphalt facility (FESOP 021-6044-03274) which is no longer located in Vigo County. A letter requesting a name change from Wabash Valley Asphalt Company, Inc., to Wabash Valley Asphalt Company, LLC., was received on February 9, 2001. Pursuant to the provisions of 326 IAC 2-8-10 the permit is hereby administratively amended as follows:

An ownership and name change only to the facility known as Wabash Valley Asphalt, Inc. . The facility is now owned by Wabash Valley Asphalt Company, LLC, an affiliate of The Heritage Group and will henceforth be known as Wabash Valley Asphalt, LLC.

All other conditions of the permit shall remain unchanged and in effect. Please attach a copy of this amendment and the following revised permit pages to the front of the original permit.

This decision is subject to the Indiana Administrative Orders and Procedures Act - IC 4-21.5-3-5. If you have any questions on this matter, please contact Brian Ellis, at (812) 462-3433, extension 17.

Sincerely,

George M. Needham
Director
Vigo County Air Pollution Control
